The District Munsiff's letter No. 1319 dated the 7th August, 1930 referred to in the statement enclosed in the above letter is not available in this Residency. It is not also clear, whether the amount of Rs 1-8-0 referred to in the statement, has been disbursed to Mr. V.Sivasankara Mudaliyar under the previous sanction. The Dt Judge may therefore be requested U.O. to kindly put up a copy of the Dt Munsiff's letter referred to above and also to clear the point raised.

It is also submitted that in cases where the sanction of the Hon'ble the Resident is requested to the payment of translation fees to members of the establishment of the District and Munsiff courts, only two copies of the statement indicating the amounts in question are forwarded to this Residency. These two copies are utilised in communicating the sanction to the Pay and Accounts Officer and the Audit Officer respectively; and no copy is therefore available for record in this office. It is submitted it would save unnecessary typing if an additional copy of such statements is also forwarded with similar applications. The Dt Judge may be requested to kindly do so in future.

Copy of the letter No.Bang.Audits.3.17.779 dated the 10th December 1930 from the Audit Officer, Experiments, Bangalore to the District Judge, Civil and Military Station, Bangalore.

-:0:-

Report on the audit of the accounts of the Official Receiver, Civil and Military Station, Bangalore from 1-1-1930 to 30th September 1930.

---:-

I have the honour to state that the audit of the accounts of the Official Receiver from 1-1-1930 to 30-9-1930 was conducted from 24th to 26th November 1930. A sum of Rs.278-2-0 (Rupees Two hundred and seventy eight and annas two only) is due to Government as audit fee - vide - - calculation sheets attached and the amount may kindly be remitted to the credit of Government at an early date.

2. Minor points which require action on the part of the Official Receiver are set out in the audit note enclosed herewith.

"COPY"

DISTRICT & SESSIONS JUDGE.

Audit Notes.

1 Cash Book.

In page 65 of the Cash Book relating to September 1930, the total in cash column on the expenditure side has been worked as - - Rs.873-1-3 instead of Rs.872-9-3. Apparently this is due to an error in totalling. If so, the difference of annas eight will have to be made good.

II Contingent vouchers.

The vouchers which are mostly cash bills may be marked as "paid" under the - - attestation of the Official Receiver at the time of entry in the cash book. This procedure which was in force previously, appears to have been discontinued in the period under audit.

III Postage account.

No postage account is maintained by the Official Receiver as stamps are purchased and immediately used whenever required and their cost debited to the estates concerned in the Cash Book. As however, a despatch register is maintained, it is suggested that when letters are sent by post the value of stamps affixed may be noted in the register in the column provided therefor. This will serve as a check against the entries in the Cash Book on account of postage, which are not at present - susceptible of check in any other manner.

IV. Stock account of Furniture.

The existence of the furniture borne on the stock, in good condition, may be verified

verified by the Official Receiver once a year and a certificate of verification recorded in the register.

V. Stock account of receipt books.
